

WATERING AID FOR INDOORS AND OUTDOORS

Blumat Easy is a hassle-free, plant-sitting service that comes in handy when you want to take a short holiday. The plants are continuously and evenly supplied with water during your absence. Blumat Easy can be used quickly and easily with any standard plastic bottle.

WATERING UNIVERSAL ADAPTER

The adapter fits almost any standard plastic bottle from 0.5 - 2 litres.

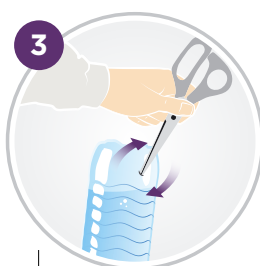

INSTALLATION

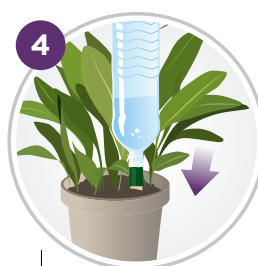

1 Fill bottle with water.

2 Attach adapter to bottle.

3 Pierce a small hole in the bottle.

4 Place the bottle with adapter upside down in the potting soil.

5 **Ready!** The porous clay cone now releases water slowly and evenly into the soil.

WATER DELIVERY

~0,2 litres / day

~0,3 litres / day

Note: Always use a sufficiently large saucer to prevent any damage due to water spillage. Small pots or plants which require little water, especially, may get more water than they need.

WORTH KNOWING

Fruit and vegetables: Blumat Easy can be used to water fruit and vegetables without any worries. All Blumat Easy products are tested according to the standards of the Austrian drinking water ordinance and are within all permissible limits. **Blumat Easy products are free from BPA, PFAS and phthalates.**

Long-term watering: In addition, water the plants every 4-6 weeks with a watering can.

Tip: If you use Blumat Easy for longer periods, you can completely cut off the bottom of the bottle with a pair of scissors. This makes it easy to fill the bottle without having to remove it from the soil.

Fertiliser: This is no problem, just add a little liquid fertiliser by pouring some into the bottle (see the manufacturer's dosing instructions).

Cleaning: Blumat Easy will last longer if it is thoroughly cleaned once a year. Lay the Blumat Easy in warm water for about five minutes. Remove visible deposits from the inside with a small brush or wooden spatula and rinse out. Remove deposits from the outside of the clay cone with sandpaper. Limescale deposits can be removed with off-the-shelf descaling agents.

3-YEAR GUARANTEE

guarantee: We want you to be satisfied. All Blumat products are covered by a 3-year warranty from the date of purchase. Should you not be entirely satisfied, please contact your retailer or us directly (info@blumat.at).
